

Why do women have to cover themselves to avoid men's attention?

Hazrat Anas^{ra} relates that the Holy Prophet^{sa} said, "Indecency disfigures everything and modesty enhances the charm of everything." (Tirmidhi)

"It is almost certain that our free glances would cause us to stumble sometime or the other. As God Almighty desires that our eyes and our hearts and all our limbs and organs should continue in a state of purity. He has furnished us with this excellent teaching. There can be no doubt that unrestrained looks become a source of danger. If we place soft bread before a hungry dog, it would be vain to hope that the dog should pay no attention to it. Thus, God Almighty desired that human faculties should not be provided with any occasion for secret functioning and should not be confronted with anything that might incite dangerous tendencies."

From Syedna Hazrat Khalifatul-Masih V (May Allah be his Helper)

"I told asylum seekers to spend their free time in Tabligh. One asylum seeker told me that in his final protocol, the judge asked him whether he distributed leaflets for his Jama'at. He said yes. The judge asked where he distributed the leaflets upon which he named some places. The judge said that is right because I, myself, received one from you at such and such place. And the judge cleared his case. Thus, Allah provides guidance for those who seek it."

Who is My Helper Towards Allah!

"Finally, I urge and admonish every Muslim to wake up for the sake of Islam. Islam is facing severe tribulations. Come to its assistance for it is in adversity...O ye people, Islam has become very weak, the enemy has laid siege from all sides, and the objections against it have risen to more than three thousand. At such a juncture, you need to prove your faith by showing sympathy for Islam. You will then be counted amongst the men of God. (Peace be on those who follow the guidance)."
